

# Archery Classes

**KFAP Archery, 11 Phelps Way, Willington, CT**

Our programs are open to students of all experience levels, from beginners to seasoned tournament archers, ages 8 and up. Equipment is provided, or bring your own. The instructor, William Hall, is a National Champion, with over 20 years of coaching experience.

**Beginner Program-** (60 min per class) For all first-time KFAP students, this program is designed for those with little to no formal archery training. The 10 weeks of the program are a structured walk through all of the essential basics of the sport, including, but not limited to; Range Safety, Proper Shooting Form, How the Bow Works, Grouping and Sight Adjustment and Scoring.

**Advanced Program-** (60 min per class) For those students who have completed the KFAP beginner program, the Advanced Program focuses more on individual coaching, goal setting, mental training, and continued advancement through the KFAP Ranking and Award System. (Those with significant formal training, who have not taken classes with KFAP, may seek an exemption from the instructor to join the advanced class, by scheduling a private, evaluation session. Email [inner10@yahoo.com](mailto:inner10@yahoo.com) for information and scheduling.)

**Outdoor Program-** (90 min per class) In this special program, we will take our bows outside (weather permitting), shooting at longer distances, and learning the skills that are needed for success when shooting in various outdoor situations. We will shoot a mixture of target and field archery, and work on outdoor scoring achievements. Archers must be returning KFAP students, and have their own equipment. Classes are held at the Nye Holeman State Archery Range in Tolland, ¼ mile from KFAP Archery.

**First Time Outdoor Students – Saturday 9:00am**  
**Returning Outdoor Students – Monday 6:00pm**

## **Spring Session Begins April 17, 2017 - 10 weeks - Cost \$130**
