Archery Classes

Join us at our NEW, INDOOR facility at the Hall Complex, Rt. 32 in Willington, CT

Our programs are open to students of all experience levels, from beginners to seasoned tournament archers, ages 8 and up. Equipment is provided, or bring your own.

The instructor, William Hall, is a highly decorated archery champion, with over 20 years of coaching experience.

Beginner Program- (60 min per class) For all first-time KFAP students, this program in designed for those with little to no formal archery training. This program is a structured walk through all of the essential basics of the sport, including, but not limited to; Range Safety, Proper Shooting Form, How the Bow Works, Grouping and Sight Adjustment and Scoring.

Advanced Program- (60 min per class) For those students who have completed the KFAP beginner program, the Advanced Program focuses more on individual coaching, goal setting, mental training, and continued advancement through the KFAP Ranking and Award System. There is also a tournament team, for those that are interested.
(Note: Those with significant formal training, who have not taken classes with KFAP, may seek an exemption from the instructor to join the advanced class, by scheduling a private, evaluation session. Call for details and scheduling.)
